

§ 121.1205

(2) Requests should be addressed to the Associate Administrator for Government Contracting, Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

(3) SBA will examine the contracting officer's determination and any other information it deems necessary to make an informed decision on the individual waiver request. If SBA's research verifies that no small business manufacturers or processors exist for the item, the Associate Administrator for Government Contracting will grant an individual, one-time waiver. If a small business manufacturer or processor is found for the product in question, the Associate Administrator will deny the request. Either decision represents a final decision by SBA.

§ 121.1205 How is a list of previously granted class waivers obtained?

A list of classes of products for which waivers of the Nonmanufacturer Rule have been granted will be maintained in SBA's Procurement Automated Source System (PASS). A list of such waivers may also be obtained by contacting the Office of Government Contracting at the Small Business Administration, 409 3rd Street, SW., Washington, DC 20416, or at the nearest SBA Government Contracting Area Office.
